

The Theory of Evolution

Recall some concepts:

1. **What is the theory of evolution?** When did the theory originate?

Organisms have changed in form and function over time to become what they are today. Charles Darwin 1850's

2. Is evolution a theory or a law?

Theory

3. Does evolution disprove God?

Proper understanding of **science** can purify religion from error and superstition;

Proper understanding of **religion** can purify science from idolatry and false absolutes.

Each can draw the other into a wider world, a world in which both can flourish.
